PROFESSIONALS ONLY.

# STEP-BY-STEP GUIDE TO BUY TO LET PRODUCT TRANSFERS

---

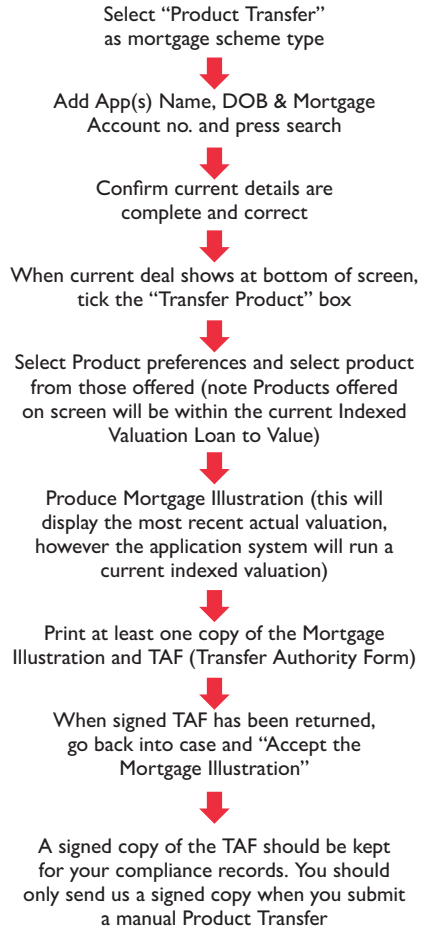

# OUR BUY TO LET PRODUCT TRANSFER RANGE

## **Our Buy to Let product transfer range allows your client to choose a new product for their existing BM Solutions mortgage;**

- Product transfers can be submitted up to 2 months prior to the current mortgage product expiring, without incurring any ERCs.
- You can select a specific date for the product transfer to be instructed.
- Procuration fees will be paid when the product transfer has been processed.
- We'll confirm by email once the product transfer has been completed.

All backed by the kind of diligent service you'd expect from an award winning lender.

To make submitting product transfer applications as simple as possible we've pulled together the below step-by-step guide.

Following this step-by-step guide to submission will ensure your application is processed correctly. If an application is keyed incorrectly then no guarantee can be given to product or rate availability at the time the application is resubmitted.

## Additional information

- Product Transfers are based upon Indexed Valuation however revaluations are available on request – these are subject to a fee detailed on **[bmsolutions.co.uk](https://bmsolutions.co.uk)**
- We no longer offer expatriate mortgages, therefore if the customer has moved out of the country since the start of the mortgage we will be unable to offer a product transfer on their mortgage.
